No electronic devices of any type may be brought to the exam. This prohibition includes, but is not limited to, cell phones; pagers; calculators; PDAs; BlackBerries, tape recorders, iPods, CD/MP3 players, and the like; cameras; watches with capabilities beyond telling time, etc. Any student found to be in possession of such a device will be reported to the Office of Student Judicial Affairs for cheating.

The exam will include 75 questions on Photosynthesis, through and including Plant Nutrition. You must go to your assigned location.

Bring your photo ID and several sharpened pencils with erasers.

Conflict exams (including extra-time exams) must be arranged no later than Friday Oct. 30.

Call the General Biology Secretary at 932-9368 (morning) or 445-0778 (afternoon)
